**Subject:** Re: URGENT: Letter on Rosemont to FS

I got a 90% letter done last night and then got sick and out today. Liz and Rob may have tweaked today but we can make final adjustments in the morning and send through you and TT. It's got the "nothing's changed" language, but is mostly focused on the 4/18 meeting and the Corps' decision process.

If Alexis wants to address the FS, perhaps TT should sign the one to SPD(?)

## Deliberative Process / Ex. 5

I have a call scheduled with Ted, Cal Joyner and Rob on Friday. I anticipate talking about what will or will not trigger any clocks. Alexis would like to review our draft letter and get an update from me on Friday – so that she can be prepared to potentially get a letter out quickly.

Thank you!
